Dear Chair Cole and Ranking DeLauro:

I am requesting funding for the County of Rockland's Emergency Operations Center and Equipment Storage Project in fiscal year 2027. The entity to receive funding for this project is the County of Rockland, located at 25 Firemens Memorial Drive, Pomona, NY 10970. The funding would be used to construct a dedicated storage facility that strengthens public safety by ensuring Rockland County's emergency response assets are securely housed, properly protected, and maintained for rapid deployment during emergencies.

This project is an appropriate use of taxpayer funds because it directly strengthens public safety by ensuring Rockland County's emergency response assets are properly protected and ready for rapid deployment. The County's current storage limitations leave emergency vehicles, trailers, and essential equipment dispersed and exposed, increasing wear, slowing response times, and putting critical resources at risk. This project will ensure these resources are properly protected, maintained, and readily accessible, strengthening the County's ability to respond quickly and effectively to incidents and safeguard the community.

The project has a Federal nexus because the funding provided is for purpose authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael Lawler".
