Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Haverstraw Infrastructure Upgrade Project in fiscal year 2026. The entity to receive funding for this project is the Town of Haverstraw, located at 1 Rosman Road, Garnerville, NY 10923. The funding would be used to construct necessary upgrades of sidewalks and curbing in the Town of Haverstraw, which have rapidly deteriorated and become a hazard.

The project is an appropriate use of taxpayer funds because it will unlock critical improvements to main thoroughfares for a Town operating on a limited budget. In critical areas of the town, sidewalks are either non-existent or fallen into disrepair. The lack of sidewalks creates hazardous conditions for people walking on the street in order to get to economic areas. This project will improve accessibility and safety, improve connectedness, and improve ADA compliance.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael Lawler". The signature is fluid and cursive, with the first name "Michael" and last name "Lawler" clearly legible.
